§ 950.102 Scope of the Combined Federal Campaign.

(a) The CFC is the only authorized solicitation of employees in the Federal workplace on behalf of charitable organizations. A campaign may be conducted during a 6 week period, as determined by the LFCC, from September 1 through December 15 at every Federal agency in the campaign community in accordance with these regulations. Except as provided in this section, no other solicitation on behalf of charitable organizations may be conducted in the Federal workplace. Upon written request, the Director may grant permission for solicitations of Federal employees, outside the CFC, in support of victims in cases of emergencies and disasters. Emergencies and disasters are defined as any hurricane, tornado storm, flood, high water, wind-driven water, tidal wave, tsunami, earthquake, volcanic eruption, landslide, mudslide, snowstorm, drought, fire, explosion, or other catastrophe in any part of the world. No such permissions will be granted for such solicitations during the period September 1 through December 15, except at the discretion of the Director upon a showing of extraordinary circumstances.

(b) These regulations do not apply to the collection of gifts-in-kind, such as food, clothing and toys, or to the solicitation of Federal employees outside of the Federal workplace as defined by the applicable Agency Head consistent with General Services Administration regulations and any other applicable laws or regulations.

(c) The Director exercises general supervision over all operations of the CFC, and takes all necessary steps to ensure the achievement of campaign objectives. Any disputes relating to the interpretation or implementation of this part may be submitted to the Director for resolution. The decisions of the Director are final for administrative purposes.

(d) Heads of departments or agencies may establish policies and procedures applicable to solicitations conducted by organizations composed of civilian employees or members of the uniformed services among their own members for organizational support or for the benefit of welfare funds for their members. Such solicitations are not subject to these regulations, and therefore do not require permission of the Director.

[60 FR 57890, Nov. 24, 1995, as amended at 63 FR 65637, Nov. 30, 1998]

§ 950.103 Establishing a local campaign.

(a) The Director establishes and maintains the official list of local campaigns and the geographical area each covers. There is no prerequisite regarding the Federal employee population needed to establish or maintain a CFC. However, rather than establishing or maintaining small campaigns, OPM encourages mergers and expansions of campaigns to promote efficiency and economy.

(b) The Director establishes an LFCC to govern the conduct of the local CFC. The LFCC will, whenever possible, be comprised of members of local Federal inter-agency organizations, such as Federal Executive Boards, Federal Executive Associations, Federal Business Associations or, in the absence of such organizations, self-organized associations of local Federal officials. These groups will include local Federal agency heads or their representatives. It

may also include representatives of employee unions and other employee groups. Rotation of the LFCC Chair position among the LFCC members is encouraged. For continuity, each LFCC should appoint a Vice Chair who would be expected to serve at the conclusion of the Chair's term.

(c) The agency head at each Federal installation within a campaign area shall:

(1) Become familiar with all CFC regulations,

(2) Cooperate with the representatives of the LFCC and PCFO in organizing and conducting the campaign,

(3) Initiate official campaigns within their offices or installations and provide support for the campaign, and

(4) Assure the campaign is conducted in accordance with these regulations.

(d) Once a campaign has been established, agency heads may not discontinue solicitation of Federal employees within their organization without the written approval of the Director.

(e) Any change in the geographical boundaries of local campaigns may be made only upon the express written permission of the Director.

(f) Each year the LFCC must establish the 6 week time period to solicit employees. Each campaign should not be conducted for more than a 6 week period. However, in unusual circumstances the LFCC may extend the campaign as local conditions require. The solicitation may not begin before September 1 and in no event will it extend beyond December 15 of each year.

(g) Current Federal civilian and active duty military employees may be solicited for contributions using payroll deduction, checks, money orders or cash. Contractor personnel, credit union employees and other persons employed on Federal premises, as well as retired Federal employees, may make single contributions to the CFC through check or money order. These non-Federal employees may not be solicited, but are to be provided the opportunity to participate in the CFC.

(h) A Federal employee whose official duty station is outside the geographic boundaries of an established CFC may not be solicited in that CFC. A Federal

employee may participate in a particular CFC only if that employee's official duty station is located within the geographic boundaries of that CFC.

§ 950.104 Local Federal Coordinating Committee responsibilities.

(a) All members of the LFCC should develop an understanding of campaign regulations and procedures. The LFCC is the central point of information regarding the CFC among Federal employees.

(b) The responsibilities of the LFCC include, but are not limited to, the following:

(1) Maintaining minutes of LFCC meetings and responding promptly to any request for information from the Director.

(2) Naming a campaign chairperson and notifying the Director when the chairperson changes.

(3) Determining the eligibility of local organizations that apply to participate in the local campaign. This is the exclusive responsibility of the LFCC and may not be delegated to the PCFO.

(4) Ensuring that the list of charities determined by the Director to be nationally eligible to participate in all local campaigns is reproduced in the local brochure in accordance with OPM instructions.

(5) Ensuring that the local brochure and pledge card are produced in accordance with these regulations and instructions from the Director.

(6) Encouraging local Federal agencies to appoint loaned executives to assist in the campaign. Federal agency heads are encouraged to grant administrative leave to all loaned executives appointed to assist in the conduct of the CFC. Federal loaned executives are prohibited from working on non-CFC fundraising activities during duty hours.

(7) Establishing a network of employee keyworkers and volunteers and participating in interagency briefing sessions and kick-off meetings.

(8) Ensuring that, to the extent reasonably possible, every employee is given the opportunity to participate in the CFC, and ensuring employee designations are honored.

(9) Ensuring that the PCFO includes in keyworker training instructions to encourage employees to designate the charitable organizations they wish to receive their donations and specific information on how general designation monies are distributed.

(10) Ensuring that contributions are distributed in accordance with the method described in these regulations.

(11) Ensuring that no employee is coerced in any way to participate in the campaign.

(12) Bringing allegations of coercion to the attention of the Director and the employee's agency and providing a mechanism to review employee complaints of undue pressure and coercion in Federal fundraising. Federal agencies shall provide procedures and assign responsibility for the investigation of such complaints. Personnel offices shall be responsible for informing employees of the proper channels for pursuing such complaints.

(13) Notifying the Director of any significant problems or controversies concerning the campaign that the LFCC cannot resolve by applying these regulations. The LFCC must abide by the Director's decisions on all matters concerning the campaign.

(14) Ensuring the PCFO does not use the services of consulting firms, advertising firms or similar business organizations to perform the policy-making or decisionmaking functions in the CFC. A PCFO may, however, contract with entities or individuals such as banks, accountants, lawyers, and other vendors of goods and/or services to assist in accomplishing its administrative tasks.

(15) Ensuring that the activities and functions required of the PCFO are kept separate from any non-CFC operations of the organization. The LFCC must verify that the PCFO keeps and maintains CFC financial records and interest bearing bank accounts separate from the PCFO's non-CFC financial records and bank accounts.

(16) Monitoring the work of the PCFO, and inspecting closely the annual audit required of the PCFO pursuant to § 950.105(d)(9) for compliance with these regulations.

§ 950.105

5 CFR Ch. I (1–1–01 Edition)

(17) Authorizing to the PCFO reimbursement of only those campaign expenses that are legitimate CFC costs and are adequately documented. Total reimbursable expenses may not exceed the approved campaign budget by more than 10 percent.

(c) The LFCC must annually solicit applications for the PCFO via public notice no later than February 1 of each calendar year. The PCFO application period must be open a minimum of 14 calendar days. Cost incurred in providing the public notice should be added to the PCFO budget for the current campaign year as an administrative cost. The LFCC shall select a PCFO to act as its fiscal agent and campaign coordinator on the basis of presentations made to the local committee as described in § 950.105. The LFCC shall consider the efficiency and effectiveness of the campaign as the primary factors in selecting a PCFO.

§ 950.105 Principal Combined Fund Organization (PCFO) responsibilities.

(a) Only federations, charitable organizations or combinations thereof may serve as the PCFO.

(b) the primary goal of the PCFO is to conduct an effective and efficient campaign in a fair and even-handed manner aimed at collecting the greatest amount of charitable contributions possible. Therefore, PCFO's should afford federated groups and agencies with representatives in the local campaign area adequate opportunity to offer suggestions relating to the operation of the campaign, printed campaign material, and training. If requested in writing to either the LFCC or PCFO, federated groups and agencies must be given the opportunity to attend all campaign meetings, kick-off events, and training sessions. The PCFO must provide representatives of federated groups, agencies and the general public the opportunity to review at the PCFO office all reports, budgets, audits, training materials, and other records pertaining to the CFC.

(c) Any federation, charitable organization or combinations thereof wishing to be selected for the PCFO must submit a timely application in accordance

with the deadline set by the LFCC, that includes:

(1) A written campaign plan sufficient in detail to allow the LFCC to determine if the applicant could administer an efficient and effective CFC. The campaign plan must include a CFC budget that details all estimated costs required to operate the CFC. The budget may not be based on the percentage of funds raised in the local campaign.

(2) A statement signed by the applicant's local director or equivalent pledging to:

(i) administer the CFC fairly and equitably,

(ii) conduct campaign operations, such as training, kick-off and other events, and fiscal operations, such as banking, auditing, reporting and distribution separate from the applicant's non-CFC operations, and

(iii) abide by the directions, decisions, and supervision of the LFCC and/or Director.

(3) A statement signed by the applicant's local director or equivalent acknowledging the applicant is subject to the provisions of § 950.403 and § 950.603.

(d) The specific responsibilities of the PCFO include but are not limited to:

(1) Honoring employee designations.

(2) Helping to ensure no employee is coerced in any way regarding participation in the campaign and that allegations of coercion are brought to the attention of the appropriate Federal officials.

(3) Training agency loaned executives, coordinators, and keyworkers in the methods of non-coercive solicitation. This training must be completely separate from training given for other types of charitable campaign drives. Additionally, keyworkers should be trained to check to ensure the pledge card is legible on each copy, verify arithmetical calculations, and ensure the block on the pledge card concerning the release of the employee's name and address is completed fully.

(4) Ensuring that no employee is questioned in any way as to his or her designation or its amount except by keyworkers, loaned executives, or other non-supervisory Federal personnel.

(5) Preparing pledge cards and brochures that are consistent with these

Office of Personnel Management

§ 950.107

regulations and instructions by the Director.

(6) Honoring the request of employees who indicate on the pledge card that their names not be released to the organization(s) that they designate.

(7) Maintaining a detailed schedule of its actual CFC administrative expenses with, to the extent possible, itemized receipts for the expenses. The expense schedule must be in a format that can be reconciled to the PCFO's budget submitted in accordance with paragraph (c)(1) of this section.

(8) Keeping and maintaining CFC financial records and interest-bearing bank accounts separate from the PCFO's internal organizational financial records and bank accounts. Interest earned on all CFC accounts must be distributed in the same manner as undesignated funds pursuant to § 950.501. All financial records and bank accounts must be kept in accordance with generally accepted accounting principles.

(9) Submitting to the LFCC an audit of collections and disbursements for each campaign managed no later than June 15 of the year in which the last disbursement is made. For example, for the 1994 CFC the audit of the 1994 campaign must be submitted to the LFCC no later than June 15, 1996. The audit must be performed by an independent certified public accountant in accordance with generally accepted auditing standards and OPM guidance.

(10) Absorbing the cost of any reprinting of campaign materials due to its noncompliance with these regulations, embezzlement, or loss of funds. A PCFO must also absorb campaign costs exceeding 10 percent of the approved budget.

(11) Designing and implementing CFC awards programs which are accessible to all employees and which reflect the Government's commitment to non-coercion. Awards to Federal agencies or employees by individual federations or organizations for CFC accomplishments is prohibited.

(12) Producing any documents or information requested by the LFCC and/or the Director within 10 calendar days of the receipt of that request.

(13) Responding in a timely and appropriate manner to reasonable inquiries from participating organizations.

(e) A federated group(s) or charitable organization may be barred from serving as PCFO for 1 year if determined by the Director to have violated these regulations. A federated group(s) or charitable organization serving as PCFO will be notified of the Director's intent to bar and have an opportunity to submit written comments prior to its becoming effective. The Director's decision as to debarment shall be communicated in writing to the LFCC and PCFO, and the LFCC shall not consider an application from such group(s) or organization to serve as the PCFO during terms of debarment.

§ 950.106 PCFO expense recovery.

(a) The PCFO shall recover from the gross receipts of the campaign its expenses, approved by the LFCC, reflecting the actual costs of administering the local campaign. The amount recovered for campaign expenses shall not exceed 10 percent of the estimated budget submitted pursuant to § 950.105(c)(1) unless approved by the Director.

(b) The PCFO may only recover campaign expenses from receipts collected for that campaign year. Expenses incurred preparing for and conducting the CFC cannot be recovered from receipts collected in the previous year's campaign. The PCFO may absorb the costs associated with conducting the campaign from its own funds and be reimbursed, or obtain a commercial loan to pay for costs associated with conducting the campaign. If the commercial loan option is used, the amount of a reasonable rate of interest is an allowable campaign expense, subject to the approval of the LFCC when the PCFO budget is submitted.

(c) The campaign expenses will be shared proportionately by all the recipient organizations reflecting their percentage share of gross campaign receipts.

§ 950.107 Lack of a qualified PCFO.

There is no authority in statute or regulation for an LFCC or any Federal official or employee to assume the duties and responsibilities of the PCFO.

§ 950.108

In the event that there is no qualified PCFO, the LFCC Chairman will promptly inform the Director in writing. The Director will assist the LFCC in merging the campaign with an adjacent campaign that has a qualified PCFO or identifying an eligible organization to function as the campaign's PCFO. If the LFCC's of the adjacent campaigns elect not to merge and a qualified PCFO cannot be found, the local CFC will be canceled. No workplace solicitation of any Federal employee in the campaign area is authorized and payroll allotments cannot be accepted and honored during the duration of the cancellation of the CFC.

§ 950.108 Preventing coercive activity.

True voluntary giving is fundamental to Federal fundraising activities. Actions that do not allow free choices or create the appearance employees do not have a free choice to give or not to give, or to publicize their gifts or to keep them confidential, are contrary to Federal fundraising policy. Activities contrary to the non-coercive intent of Federal fundraising policy are not permitted in campaigns. They include, but are not limited to:

(a) Solicitation of employees by their supervisor or by any individual in their supervisory chain of command. This does not prohibit the head of an agency to perform the usual activities associated with the campaign kick-off and to demonstrate his or her support of the CFC in employee newsletters or other routine communications with the Federal employees.

(b) Supervisory inquiries about whether an employee chose to participate or not to participate or the amount of an employee's donation. Supervisors may be given nothing more than summary information about the major units that they supervise.

(c) Setting of 100 percent participation goals.

(d) Establishing personal dollar goals and quotas.

(e) Developing and using lists of non-contributors.

(f) Providing and using contributor lists for purposes other than the routine collection and forwarding of contributions and allotments, and as allowed under § 950.601.

5 CFR Ch. I (1–1–01 Edition)

(g) Using as a factor in a supervisor's performance appraisal the results of the solicitation in the supervisor's unit or organization.

§ 950.109 Avoidance of conflict of interest.

Any Federal employee who serves on the LFCC, on the eligibility committee, or as a Federal agency fundraising program coordinator, must not participate in any decisions where, because of membership on the board or other affiliation with a charitable organization, there could be or appear to be a conflict of interest under any statute, regulation, Executive order, or applicable agency standards of conduct. Under no circumstances may an LFCC member affiliated with an organization applying for inclusion on the local list, participate in the eligibility determinations.

§ 950.110 Prohibited discrimination.

Discrimination for or against any individual or group on account of race, color, religion, sex, national origin, age, handicap, or political affiliation is prohibited in all aspects of the management and the execution of the CFC. Nothing herein denies eligibility to any organization, which is otherwise eligible under this part to participate in the CFC, merely because such organization is organized by, on behalf of, or to serve persons of a particular race, color, religion, sex, national origin, age, or handicap.

Subpart B—Eligibility Provisions

§ 950.201 National list eligibility.

(a) The Director shall annually:

(1) Determine the timetable and other procedures regarding application for inclusion on the national list,

(2) Determine which organizations among those that apply qualify to be part of the national list and then provide the national list of qualified organizations to all local campaigns.

(b) The national list shall be reproduced in all local brochures in accordance with these regulations. The list will include each organization's national list number code. These number codes must be faithfully reproduced in the local brochures.

(c) An organization on the national list may elect to be removed from the national list and have its local affiliate or subunit listed on the local list of organizations in its stead. For the local affiliate or subunit to be listed in lieu of the organization on the national list, the following procedures must be followed:

(1) The organization must send a letter to the local affiliate or subunit in that particular CFC waiving its listing on the national list so that its eligible local affiliate or subunit on the local list of organizations will appear as that organization's sole listing in the CFC brochure.

(2) The local affiliate or subunit will include in its application to the LFCC a copy of the letter authorizing the removal of the organization from the national list as well as all the required materials for completing a local organization application.

(3) Upon finding the local organization eligible, the waiver letter from the organization on the national list authorizes the LFCC to delete that organization from the national list.

§ 950.202 National list eligibility requirements.

All organizations seeking national list eligibility must:

(a) Certify that it provides or conducts real services, benefits, assistance, or program activities, in 15 or more different states or a foreign country over the 3 year period immediately preceding the start of the year involved. This requirement cannot be met on the sole basis of services provided through an "800" telephone number or by sending materials via the U.S. Postal Service or a combination thereof. A schedule listing those states (minimum 15) or the foreign countries (minimum 1) where the program activities have been provided and a detailed description of the activities in each state or foreign country must be included with the application. While it is not expected that an organization maintain an office in each state or foreign country, a clear showing must be made of the actual services, benefits, assistance or activities provided in each state or foreign country.

(b) Certify that it is recognized by the Internal Revenue Service as tax-exempt under 26 U.S.C. 501(c)(3) and to which contributions are tax-deductible pursuant to 26 U.S.C. 170. A copy of the letter from the Internal Revenue Service granting tax-exempt status under the Internal Revenue Code, 26 U.S.C. 501(c)(3), must be included with the application.

(c) Certify that the organization has no expenses connected with lobbying and attempts to influence voting or legislation at the local, State, or Federal level or alternatively, that those expenses would classify the organization as a tax-exempt organization under 26 U.S.C. 501(h).

§ 950.203 Public accountability standards.

(a) To insure organizations wishing to solicit donations from Federal employees in the workplace are portraying accurately their programs and benefits, several standards and certifications must be met annually by each organization seeking national list eligibility. Each organization wishing to participate must:

(1) Certify that the organization is a human health and welfare organization providing services, benefits, or assistance to, or conducting activities affecting, human health and welfare. The organization's application must provide documentation describing the human health and welfare benefits provided by the organization within the previous year.

(2) Certify that it accounts for its funds in accordance with generally accepted accounting principles and that an audit of the organization's fiscal operations is completed annually by an independent certified public accountant in accordance with generally accepted auditing standards. Such audit must show expenses by function. A copy of the organization's most recent annual audit must be included with the application. The audit must cover the fiscal year ending not more than 18 months prior to the January of the campaign year to which the organization is applying. For example, the audit included in the 1994 application must cover the fiscal period ending on or after June 30, 1992.

§ 950.203

5 CFR Ch. I (1–1–01 Edition)

(3) Provide a completed copy of the organization's IRS Form 990, including signature, with the application regardless of whether or not the IRS requires the organization to file this form. IRS Forms 990EZ, 990PF, and comparable forms are not acceptable substitutes. However, smaller organizations that file the Form 990EZ may submit the 990EZ with pages 1 and 2 of the Form 990 attached. The IRS Form 990 and audit must cover the same fiscal period and, if revenue and expenses on the two documents differ, these amounts must be reconciled in an accompanying signed statement by the certified public accountant who completed the audit.

(4) Provide a computation of the organization's percentage of total support and revenue spent on administrative and fundraising. This percentage shall be computed from information on the IRS Form 990, submitted pursuant to § 950.203(a)(3), by adding the amount spent on "management and general" (line 14) to "fundraising" (line 15) and then dividing the sum by "total revenue" (line 12).

(i) If an organization's administrative and fundraising expenses exceed 25 percent of its total support and revenue, it must certify that its actual expenses for administration and fundraising are reasonable under all the circumstances presented. It must provide an explanation with its application and also include a formal plan to reduce these expenses below 25 percent.

(ii) The Director may reject any application from an organization with fundraising and administrative expenses in excess of 25 percent of total support and revenue, unless the organization demonstrates to the satisfaction of the Director that its actual expenses for those purposes and its plan to reduce them are reasonable under the circumstances.

(5) Certify that the organization is directed by an active and responsible governing body whose members have no material conflict of interest and, a majority of which serve without compensation.

(6) Certify that the organization's fundraising practices prohibit the sale or lease of its CFC contributor lists.

(7) Certify that its publicity and promotional activities are based upon its actual program and operations, are truthful and non-deceptive, and make no exaggerated or misleading claims.

(8) Certify that contributions are effectively used for the announced purposes of the charitable organization.

(9) Certify under which governmental entity the charitable organization is chartered, incorporated or organized (congressionally chartered or the state in which it is registered).

(10) Certify that the organization has received no more than 80 percent of its total support and revenues from government sources as computed by dividing line 1c by line 12 from the IRS Form 990 submitted pursuant to § 950.203(a)(3).

(11) Certify that the organization prepares and makes available to the public upon request an annual report that includes a full description of the organization's activities and supporting services and identifies its directors and chief administrative personnel. A copy of the organization's annual report must be included with the application. The annual report must cover the fiscal year ending not more than 18 months prior to January of the campaign year to which the organization is applying. A more frequently published document, such as a quarterly newsletter, may be used to meet this requirement provided that such document is available to the general public upon request and describes the organization's activities and supporting services and identifies its directors and chief administrative personnel.

(12) Provide a statement that the certifying official is authorized by the organization to certify and affirm all statements required for inclusion on the national list.

(13) Provide a statement in 25 words or less describing the program activities of the charitable organization. The 25-word statement need not include the organization's name. In addition, organizations must provide a telephone number, dedicated solely for the organization's use, through which the donors may receive further information about the organization. Except as provided in § 950.401(k), this information

will be included in the campaign brochure along with the organization's administrative and fundraising percentage computed pursuant to § 950.203(a)(3).

(b) The Director shall review these applications for accuracy, completeness, and compliance with these regulations. Failure to supply any of this information may be judged a failure to comply with the requirements of public accountability, and the charitable organization may be ruled ineligible for inclusion on the national list.

(c) The Director may request such additional information as the Director deems necessary to complete these reviews. An organization that fails to comply with such requests within 10 calendar days from receipt of the request may be judged ineligible.

(d) The required certifications and documentation must have been completed and submitted prior to the application filing deadline. Applications received that are incomplete may not be perfected during the appeal process described in § 950.205.

(e) The Director may waive any of these standards and certifications upon a showing of extenuating circumstances.

§ 950.204 Local list eligibility.

(a) The LFCC shall establish an annual application process consistent with these regulations for organizations that wish to be listed in the local brochure.

(b) The requirements for an organization to be listed in the local brochure shall include the following:

(1) An organization must demonstrate to the satisfaction of the LFCC, that it has a substantial local presence in the geographical area covered by the local campaign, a substantial local presence in the geographical area covered by an adjacent local campaign, or substantial statewide presence.

Substantial local presence cannot be met on the basis of services provided solely through an "800" telephone number or the U.S. Postal Service or a combination thereof.

(ii) Substantial statewide presence is defined as providing or conducting real services, benefits, assistance or program activities covering 30 percent of a state's geographic boundaries or providing or conducting real services, benefits, assistance or program activities affecting 30 percent of a state's population. (iii) Organizations seeking local eligibility in Puerto Rico or the U.S. Virgin Islands are exempt from the requirements of § 950.202(b). However, said organizations must include in their applications, the appropriate local forms demonstrating their status as charitable organizations.

Within 15 business days after the closing date of the application period, the LFCC shall communicate its eligibility decisions via facsimile or U.S. Postal Service. Denial of the application by the LFCC must be sent via U.S. Postal Service certified or registered mail with a return receipt. Approvals may be sent via U.S. Postal Service regular first class mail or facsimile. LFCC's may authorize PCFO's to release eligibility determinations to applicant organizations via telephone. This has no effect on the deadline for LFCC's to re-

ceive local appeals. Applicants denied eligibility may appeal in accordance with § 950.205.

(f) No LFCC may print the campaign brochure while there are appeals of eligibility decisions from their campaign pending with the Director. LFCC's are obligated to check with OPM 21 calendar days after the mailing of the local appeal decision as to whether the Director is on notice of a pending timely appeal.

§ 950.205 Appeals.

(a) Organizations who apply and are denied eligibility for inclusion on the national list will be notified of the Director's decision by registered or certified mail of the U.S. Postal Service. Organizations may appeal the Director's decision by submitting a written request to reconsider the denial to the Director. This request must be received within 10 business days from the date of receipt of the Director's decision to deny eligibility and shall be limited to those facts justifying the reversal of the original decision. Requests for reconsideration may not be used to supplement applications that had missing or outdated documents, and any such documents submitted with the request for reconsideration will not be considered.

(b) Applicants denied listing in the local brochure must first appeal in writing to the LFCC to reconsider its original decision. Such an appeal must be received by the LFCC within 7 business days from the date of receipt of the initial LFCC decision or 14 calendar days from the date the decision was mailed, whichever is earlier. The LFCC must consider all timely appeals and notify the appealing organization within a reasonable time period. Denial of the appeal by the LFCC must be sent via U.S. Postal Service certified or registered mail with a return receipt. Approval of local appeals may be sent via U.S. Postal Service regular first class mail or facsimile.

(c) A local applicant which is unsuccessful in its appeal to the LFCC may appeal to the Director. All appeals must:

(1) Be in writing;

(2) Be received by the Director within 10 business days of the date of receipt

of the letter from the LFCC denying eligibility on appeal;

(3) Include a statement explaining the reason(s) why eligibility should be granted;

(4) Include a copy of the letter from the LFCC disapproving the original application, a copy of the organization's appeal to the LFCC, and a copy of the letter from the LFCC denying the appeal.

(d) If an organization fails to file a timely application or a timely appeal of an adverse eligibility determination in accordance with these regulations, such application or appeal to the Director will be dismissed as untimely.

(e) Appeals to the Director may not be used to supplement original applications that had missing or outdated documents. Any such supplemental documents will not be considered. Such appeals shall be limited to those facts justifying the reversal of the original decision.

(f) The Director's decision is final for administrative purposes.

Subpart C—Federations

§ 950.301 National federations eligibility.

(a) The Director may recognize national federations that conform to the requirements and are eligible to receive designations. The Director may from time to time place a moratorium on the recognition of national federations.

(b) By applying for inclusion in the CFC, federations consent to allow the Director complete access to it and its members' CFC books and records and to respond to requests for information by the Director.

(c) An organization may apply to the Director for inclusion as a national federation to participate in the CFC if the applicant has, as members of its proposed federation, 15 or more charitable organizations that meet the eligibility criteria of § 950.202 and § 950.203. The initial year an organization applies for federation status, it must submit the applications of all its proposed member organizations in addition to the federation application. Federations must re-establish eligibility each year, however, the applications of its member or-

ganizations need not accompany the annual federation application once an organization has obtained federation status, unless requested by the Director.

(d) After an organization has been granted federation status, it may certify that its member organizations meet all eligibility criteria of § 950.202 and § 950.203 to be included on the national list. Federation status in a prior campaign is not a guarantee of federation status in a subsequent campaign. Failure to meet minimum federation eligibility requirements shall not be deemed to be a decertification subject to a hearing on the record.

(e) An applicant for national federation status must annually certify and/or demonstrate:

(1) That all member organizations seeking participation in the CFC are qualified for inclusion on the national list. Applicants must provide a complete list of those member organizations it certified.

(2) That its financial records, practices and procedures conform to generally accepted accounting principles and that it is annually audited by an independent certified public accountant in accordance with generally accepted auditing standards. A copy of the audit must be included with the application. The audit must verify that the federation is honoring designations made to each member organization. The audit requirement is waived for newly created federations operating for less than a year.

(3) That it does not employ in its CFC operations the services of private consultants, consulting firms, advertising agencies or similar business organizations to perform its policy-making or decision-making functions in the CFC. It may, however, contract with entities or individuals such as banks, accountants, lawyers, and other vendors of goods and/or services to assist in accomplishing its administrative tasks.

(f) The Director will notify a federation if it is determined that the federation does not meet the eligibility requirements of this section. A federation may appeal an adverse eligibility decision in accordance with § 950.205.

§ 950.302

(g) The Director may waive any eligibility criteria for federation status if it is determined that such a waiver will be in the best interest of the CFC.

(h) Two organizations—American Red Cross and United Service Organization—are exempt from the 15-member requirement of § 950.301(c).

§ 950.302 Responsibilities of national federations.

(a) National federations must ensure that only those member organizations that comply with all eligibility requirements included in these regulations are certified for participation in the CFC.

(b) The Director may elect to review, accept or reject the certifications of the eligibility of the members of the national federations. If the Director requests information supporting a certification of national eligibility, that information shall be furnished promptly. Failure to furnish such information within 10 business days of the receipt of the request constitutes grounds for the denial of national eligibility of that member.

(c) The Director may elect to decertify for up to one campaign year a federation which makes a false certification, subject to the requirement that any federation that the Director proposes to decertify shall be offered the opportunity to have a hearing on the record on the proposed decertification, followed by a written decision stating the grounds for the decertification. False certifications are presumed to be deliberate. This presumption may be overcome by evidence presented at the hearing.

(d) The failure of a national federation to respond in a timely fashion to a request by the Director for required information or cooperation in an investigation or a settlement of disbursements may be grounds for decertification, provided that a decision to decertify is preceded by a hearing on the record and communicated in writing.

(e) Each federation, as fiscal agent for its member organizations, must ensure that Federal employee designations are honored in that each member organization receives its proportionate share of receipts based on the results of each individual campaign.

5 CFR Ch. I (1–1–01 Edition)

§ 950.303 Local federations eligibility.

(a) LFCC's must approve local federations that conform to the requirements.

(b) By applying for inclusion in the CFC, federations consent to allow the LFCC and Director complete access to it and its members' CFC books and records and to respond to requests for information by the LFCC and the Director.

(c) An organization may apply to the LFCC for inclusion as a local federation if the applicant has as members of its proposed federation, 15 or more charitable organizations that meet the eligibility criteria of § 950.202, § 950.203, and § 950.204. The initial year an organization applies for federation status, it must submit to the LFCC applications of all its proposed member organizations in addition to the federation application. Federations must re-establish eligibility each year, however, the applications of its member organizations need not accompany the annual federation application once an organization has obtained federation status.

(d) After an organization has been granted federation status, it may certify that its member organizations meet all eligibility criteria of §§ 950.202, 950.203, and 950.204 to be included on the Local List. While deference should be given to federation certifications, the LFCC, during the review process, may request independent evidence of individual member organization's eligibility. Federation status in a prior campaign is not a guarantee of federation status in a subsequent campaign. Failure to meet minimum federation eligibility requirements shall not be deemed to be a decertification subject to a hearing on the record.

(e) An applicant for local federation status must certify and/or demonstrate:

(1) That all member organizations seeking participation in the CFC are qualified for inclusion on the Local List and provide a complete list of those member organizations it certified.

(2) That its financial records, practices and procedures conform to generally accepted accounting principles and is annually audited by an independent certified public accountant in

Office of Personnel Management

§ 950.401

accordance with generally accepted auditing standards. A copy of the annual audit must be included with the application. The audit must verify that the federation is honoring designations made to each member organization. The audit requirement is waived for newly created federations operating for less than a year.

(3) That is does not employ, in its CFC operations, the services of private consultants, consulting firms, advertising agencies or similar business organizations to perform the policy-making or decision-making functions in the CFC. It may, however, contract with entities or individuals such as banks, accountants, lawyers, and other vendors of goods and/or services to assist in accomplishing its administrative tasks.

(f) The LFCC will notify a federation if it is determined that the federation does not meet the eligibility requirements of this section. A federation may appeal an adverse eligibility decision in accordance with § 950.205.

(g) The Director may waive any eligibility criteria for federation status if it is determined that such a waiver will be in the best interest of the CFC.

§ 950.304 Responsibilities of local federations.

(a) Local federations must ensure that only those member organizations that comply with all eligibility requirements included in these regulations are certified for participation in the CFC.

(b) If the LFCC requests information supporting a certification of local eligibility, that information shall be furnished promptly. Failure to furnish such information within 10 business days of the receipt of the request constitutes grounds for the denial of local eligibility.

(c) The Director, upon recommendation by the LFCC, may elect to decertify a federation which makes a false certification for up to one campaign year, subject to the requirement that any federation that the Director proposes to decertify shall be offered the opportunity to have a hearing on the record on the proposed decertification, followed by a written decision stating the grounds for the decertification.

False certifications are presumed to be deliberate. The presumption may be overcome by evidence presented at the hearing.

(d) The failure of a local federation to respond in a timely fashion to a request by the Director or the LFCC for required information or cooperation in an investigation may be grounds for decertification, provided that a decision to decertify is preceded by a hearing on the record and communicated in writing.

(e) Each federation, as fiscal agent for its member organizations, must ensure that Federal employee designations are honored in that each member organization receives its proportionate share of receipts based on the results of each individual campaign.

Subpart D—Campaign Materials

§ 950.401 Campaign and publicity materials.

(a) The specific campaign and publicity materials, such as the official brochure, will be developed locally, except as specified in these regulations. All materials must be reviewed by the LFCC for compliance with these regulations and will be printed and supplied by the PCFO. All publicity materials must have the approval of the LFCC before being used. Federations must notify the PCFO in writing of their desire to participate in the development of campaign and publicity materials. The PCFO must respond in a timely manner to a federation's request to participate in the development of campaign and publicity materials. Federations must also respond in a timely fashion in the development of campaign and publicity materials.

(b) During the CFC solicitation period, participating CFC organizations may distribute bona fide educational materials describing its services or programs. The organization must be granted permission by the Federal agency installation head, or designee to distribute the material. CFC Coordinators, Keyworkers or members of the LFCC, are not authorized to grant permission for the distribution of such materials. If one organization is granted permission to distribute educational

materials, then the Federal agency installation head must allow any other requesting CFC organization to distribute educational materials.

(c) Organizations and federations are encouraged to publicize their activities outside Federal facilities and to broadcast messages aimed at Federal employees in an attempt to solicit their contributions through the media and other outlets.

(d) Agency Heads are further authorized to permit the distribution by organizations of promotional pamphlets to Federal personnel in public areas of Federal workplaces in connection with the CFC, provided that the manner of distribution accords equal treatment to all charitable organizations furnishing such pamphlet for local use, and further provided that no such distribution shall utilize Federal personnel on official duty or interfere with Federal government activities. LFCC members and other campaign personnel are to be particularly aware of the prohibition of assisting any charitable organization or federated group in distributing any type of literature, especially during the campaign period. Nothing in this section shall be construed to require an LFCC to distribute or arrange for the distribution of any material other than the Campaign brochure and the pledge card.

(e) The Campaign brochure and pledge card is the official CFC information package and shall be made available to all potential contributors. All CFC brochures must inform employees of their right to make a choice to contribute or not to contribute; to designate or not to designate; and to give a confidential gift in a sealed envelope.

(f) Campaign materials must constitute a simple and attractive package that has fundraising appeal and essential working information. The package should focus on the CFC without undue use of charitable organization symbols and logos or other distractions that compete for the donor's attention. Extraneous instructions concerning the routing of forms, tallying of contributor's receipt, and similar reports, which are primarily for keyworkers must be avoided.

(g) The following applies specifically to the campaign brochure:

(1) OPM will include in the annual distribution of the National List explicit instructions for the printing of the brochure and language to be printed verbatim in the introductory pages. The general information provided will include:

(i) A description of the CFC arrangement and explanation of the payroll deduction privilege.

(ii) a statement that the donor may only designate charitable organizations or federations that are listed in the brochure and that write-ins are prohibited.

(iii) instructions as to how an employee may obtain more specific information about the programs and the finances of the organizations participating in the campaign.

(iv) A description of employees' rights to pursue complaints of undue pressure or coercion in Federal fundraising activities.

(2) Following the introductory pages, the organization list will consist of three parts—the national, the international, and the local. The order of these three parts will be annually rotated in accordance with OPM instructions. In 1996 the Local part will be first followed by the National and finally the International. The national and international lists will consist of faithful reproductions of the lists of national and international organizations, including federations, provided by OPM. The third part, the local list, is determined by the LFCC. The order of listing of the federated and unaffiliated organizations within the three separate parts will be determined by random drawing. The order of organizations within each federation will be determined by the federation. The order within the national and local unaffiliated groups will be alphabetical. Absent specific instructions from OPM to the contrary, each participating organization and federated group listing must include a description, not to exceed 25 words, of their services and programs, plus a telephone number for the Federal donor to request further information about the group's services, benefits, and administrative expenses. Each listing will include a statement

of the percentage of the organization's total receipts and revenues that are used for administration and fundraising. Neither the percentage of administrative and fundraising expenses, nor the telephone number count toward the 25-word statement.

(3) Each national federation and charitable organization will be assigned a code number by OPM. Local federations and local charitable organizations will be assigned code numbers by the LFCC. At the beginning of each federated group's listing will be the federation's name, code number, 25-word statement, percentage of administrative and fundraising expenses, and telephone number. The sections of the brochure where the unaffiliated agencies are listed will begin with the titles National Unaffiliated Organizations, International Unaffiliated Organizations and Local Unaffiliated Organizations respectively.

(h) Omission of an eligible charitable organization from the brochure may require that all brochures be reprinted and redistributed. Such omissions must be reported to OPM immediately upon discovery. The Director or LFCC may direct that the cost of such reprinting and redistribution be borne by the PCFO or charged to CFC administrative expenses.

(i) Dual listing. Listing of a national organization, as well as its local affiliate organization, is permitted. However, a national organization may waive its listing in the national section of the brochure in favor of its eligible local affiliate. The local affiliate must include in its application the written waiver from its national organization.

(j) Multiple listing. Each national or local organization must individually meet all of the eligibility criteria and submit independent documentation as required in § 950.202, § 950.203 or § 950.204. Once an organization is deemed eligible, it is entitled to only one listing in the CFC brochure, regardless of the number of federations to which that organization belongs.

(k) The LFCC may omit the 25-word program description from the CFC brochure if, in the immediately preceding campaign year, contributions received in the local CFC totalled less than \$100,000.

§ 950.402 Pledge card.

(a) The Director will make available each campaign year at least one model pledge card which shall be reproduced at the local level.

(b) Campaigns may incorporate additional giving levels to the Director's authorized pledge card. Campaigns may also include their award recognition program. No further modifications to the pledge card are permitted unless approved in advance by the Director.

(c) An employee may not make a designation to an organization not listed in the brochure. In addition, an employee may not make a CFC contribution to an organization listed in the brochure of a campaign covering a geographic location different from the campaign where the employee works. Designations made to organizations not listed in the brochure are not invalid, but will be treated as undesignated funds and distributed accordingly.

(d) In the event the PCFO receives a pledge card that has designations that add up to less than the total amount pledged, the PCFO must honor the total amount pledged and treat the excess amount as undesignated funds. In the event that a PCFO receives a pledge card that has a total amount pledged that is less than the sum of the individual designations, the PCFO must honor the designations by assigning a proportionate share of the total gift to each organization designated. For example, if an employee indicates a total gift of \$100 in the upper portion of the pledge card, but designates \$25 each to five organizations in the lower part of the pledge card, the PCFO must adjust each organization's designation to \$20.

§ 950.403 Penalties.

A PCFO's failure to comply with these regulations may result in either disqualification from future service as PCFO, disqualification as a participating federation, or both penalties. These penalties may only be imposed after a hearing on the record and communication of the Director's decision in writing.

Subpart E—Undesignated Funds

§ 950.501 Applicability.

(a) All undesignated funds shall be distributed to all of the organizations in the CFC brochure in the same proportion that they received designations in the campaign.

(b) The distribution of undesignated funds described in § 950.501(a) applies to all domestic area campaigns. It does not apply to the DOD Overseas Campaign.

(c) The Director may alter the distribution of undesignated funds as local campaign circumstances may require or to enforce the distribution method described herein.

[60 FR 57890, Nov. 24, 1995; 61 FR 4585, Feb. 7, 1996]

Subpart F—Miscellaneous Provisions

§ 950.601 Release of contributor names.

(a) The pledge card, designed pursuant to § 950.402, must allow an employee to indicate if the employee does not wish his or her name and home address forwarded to the charitable organization or organizations designated. A PCFO's failure to honor an employee's wish may result in the decertification of the PCFO.

(b) The pledge card will direct an employee to provide his or her complete home address on the pledge card should he or she wish his or her name and home address released to organizations receiving their donations.

(c) It is the responsibility of the PCFO to forward the names and addresses of employees who have indicated that they wish their names be forwarded, to the recipient organization directly, if the organization is unaffiliated, and to the organization's federation if the organization is a member of a federation. The PCFO may not make any other use of these employees' names and addresses.

(d) Organizations must cooperate fully with OPM investigations into the care and appropriate use of these lists. Should an organization ignore or fail to respond to OPM's requests for cooperation or hamper an investigation,

the Director may propose that the organization be suspended or expelled from the CFC. The Director will consider any response in issuing a decision.

§ 950.602 Solicitation methods.

(a) Employee solicitations shall be conducted during duty hours using methods that permit true voluntary giving and shall reserve to the individual the option of disclosing any gift or keeping it confidential. Campaign kick-offs, victory events, awards, and other non-solicitation events to build support for the CFC are encouraged.

(b) Special CFC fundraising events, such as, raffles, lotteries, auctions, bake sales, carnivals, athletic events, or other activities not specifically provided for in these regulations are permitted during the 6-week campaign period if approved by the appropriate agency head or government official, consistent with agency ethics regulations.

(c) In all approved special fundraising events the donor must have the option of designating to a specific participating organization or federation or be advised that the donation will be counted as an undesignated contribution and distributed according to these regulations.

§ 950.603 Sanctions.

(a) Sanctions not specifically provided for elsewhere in these regulations, may be imposed on an organization, federation or PCFO for violating any provisions, other applicable provisions of law, or any directive or instruction from the Director. The Director will determine the appropriate sanction, up to and including permanent expulsion from the CFC. In determining the appropriate sanction, the Director will consider all elements such as previous violations, harm to Federal employee confidence in the CFC, and any other relevant factors. The Director shall provide written notification to the organization, federation or PCFO regarding the alleged violation and the intent to impose a sanction. Prior to implementation of sanctions under this section, the organization, federation or PCFO shall be provided an opportunity to address in

Office of Personnel Management

§ 950.801

writing why the sanction should not be imposed. This submission must be received within 10 calendar days from the date of receipt of the Director's notification letter.

(b) At the Director's discretion, PCFO's and Federations may be directed to suspend distribution of current and future CFC donations from Federal employees to recipient organizations. Federations and PCFO's shall immediately place suspended contributions in an interest bearing account until directed to do otherwise.

§ 950.604 Records retention.

Federations, PCFO's and other participants in the CFC shall retain documents pertinent to the campaign for at least three campaign years. Documents requested by OPM must be made available within 10 business days of the request.

Subpart G—DoD Overseas Campaign

§ 950.701 DoD overseas campaign.

(a) A Combined Federal Campaign is authorized for all Department of Defense (DoD) activities in the overseas areas during a 6-week period in the fall. Organizations that may participate in the Overseas Campaign will consist of organizations determined nationally eligible by OPM.

(b) The DoD must select an organization or combination of organizations to serve as PCFO as it deems in the best interests of the overseas campaign.

(c) Federal civilian agencies with overseas personnel may elect to have these employees participate in the DoD campaign or in the National Capital Area campaign.

(d) The overseas campaign brochure shall not include the All International Organizations Designation Option-III.

(e) Family support and youth activities established in overseas locations may be supported from CFC funds.

(f) Undesignated funds contributed in the Overseas Campaign equal to up to 6 percent of the gross campaign contributions will be allocated to the Overseas family support and youth activities. No other funds may be used for this purpose. If the undesignated funds

exceed 6 percent of the gross campaign contributions, this excess shall be distributed to all other organizations in the same proportions as designations.

(g) Overseas family support and youth activities shall not be charged any share of campaign costs. All other organizations participating in the Overseas Area CFC will be charged for campaign costs in the same proportion that they received gross campaign receipts, net of that amount of receipts set aside for family support and youth activities.

(h) The overseas campaign brochure must explain the allocation policy utilized by each of the military services to allocate funds received from the Overseas campaign to their overseas family support and youth activities.

Subpart H—CFC Timetable

§ 950.801 Campaign schedule.

(a) The Combined Federal Campaign will be conducted according to the following timetable.

(1) During one 30-calendar day period between January and March, as determined by the Director, OPM will accept applications from organizations seeking to be listed on the national list.

(2) Within 35 calendar days of the closing of the receipt of applications, the Director will issue notices to each national applicant organization of the results of the Director's review.

(3) Local Federal Coordinating Committees must select a PCFO no later than March 15.

(4) The Director will issue a national eligibility list to all local campaigns by June 30.

(5) Local Federal Coordinating Committees must accept applications from organizations seeking local eligibility for 30 calendar days as determined by the LFCC, and must issue notice of its eligibility decisions within 15 business days of the closing date for receipt of applications.

(b) The Director will annually issue a timetable for accepting and processing national applications.

Subpart I—Payroll Withholding**§ 950.901 Payroll allotment.**

The policies and procedures in this section are authorized for payroll withholding operations in accordance with the Office of Personnel Management Pay Administration regulations in part 550 of this Title.

(a) Applicability. Voluntary payroll allotments will be authorized by all Federal departments and agencies for payment of charitable contributions to local CFC organizations.

(b) Allottees. The allotment privilege will be made available to Federal personnel as follows:

(1) Employees whose net pay regularly is sufficient to cover the allotment are eligible. An employee serving under an appointment limited to 1 year or less may make an allotment to a CFC when an appropriate official of the employing Federal agency determines that the employee will continue employment for a period to justify an allotment. This includes military reservists, National Guard, and other part-time and intermittent employees who are regularly employed.

(2) Members of the Uniformed Services are eligible, excluding those on only short-term assignment (less than 3 months).

(c) Authorization. Allotments will be totally voluntary and will be based upon contributor's individual authorization.

(1) The CFC Pledge Card, in conformance with § 950.402, is the only form for authorization of the CFC payroll allotment and may be printed or purchased from a central source by each PCFO. The pledge cards and official brochure will be distributed to employees when charitable contributions are solicited.

(2) The original copy of each pledge card (payroll allotment authorization) should be transmitted to the contributor's servicing payroll office as promptly as possible, preferably by December 15. However, if pledge cards are received after that date they should be accepted and processed by the payroll office.

(d) Duration. Authorization of allotments will be in the form of a term allotment. Term authorizations will be in effect for 1 full year—26, 24, or 12 pay

periods depending on the allotter's pay schedule—starting with the first pay period beginning in January and ending with the last pay period that begins in December. Three months of employment is considered the minimum amount of time that is reasonable for establishing an allotment.

(e) Amount. Allottees will make a single allotment that is apportioned into equal amounts for deductions each pay period during the year.

(1) The minimum amount of the allotment will be determined by the LFCC but will not be less than \$1 per payday, with no restriction on the size of the increment above that minimum.

(2) No change of amount will be authorized for term allotments.

(3) No deduction will be made for any period in which the allotter's net pay, after all legal and previously authorized deductions, is insufficient to cover the CFC allotment. No adjustment will be made in subsequent periods to make up for missed deductions.

(f) Remittance. One check will be sent by the payroll office each pay period, in the gross amount of deductions on the basis of current authorizations, to the Central Receipt and Accounting Point (CRP) at each local CFC location for which the payroll office has received allotment authorizations. The Director will provide a list of the authorized CRP's to Federal payroll offices.

(1) The check will be accompanied by a statement identifying the agency, the dates of the pay period, and the total number of employee deductions.

(2) There will be no listing of allottees included or of allotter discontinuances.

(g) Discontinuance. Term allotments will be discontinued automatically on expiration of the 1 year withholding period, or on the death, retirement, or separation of the allotter from the Federal service, whichever is earlier.

(1) An allotter may revoke a term authorization at any time by requesting it in writing from the payroll office. Discontinuance will be effective the first pay period beginning after receipt of the written revocation in the payroll office.

(2) A discontinued allotment will not be reinstated.

(h) Transfer. When an allotter moves to another organizational unit served by a different payroll office in the same CFC location, whether in the same office or a different Department or agency, his or her allotment authorization should be transferred to the new payroll office.

(i) Accounting. Federal payroll offices will oversee the establishment of individual allotment accounts, the deductions each pay period, and the reconciliation of employee accounts in accordance with agency and General Accounting Office requirements. The payroll office will accept responsibility for the accuracy of remittances, as supported by current allotment authorizations, and internal accounting and auditing requirements.

(1) The PCFO shall notify the federated groups, national agencies, and local agencies as soon as practicable after the completion of the campaign, but in no case later than February 15, of the amounts, if any, designated to them and their member agencies and of the amounts of the undesignated funds, if any, allocated to them.

(2) The PCFO is responsible for the accuracy of disbursements it transmits to recipients. It shall transmit at least monthly for campaigns of \$500,000 or more or quarterly if less than that amount, minus only the approved proportionate share for administrative cost reimbursement and the PCFO fee set forth in § 950.106(d). It shall remit the contributions to each organization or to the federated group, if any, of which the organization is a member. For campaigns with gross receipts in excess of \$500,000, the PCFO will distribute all CFC receipts beginning April 1, and monthly thereafter. At the close of each disbursement period, the PCFO's CFC account shall have a balance of zero.

(3) The PCFO may make one-time disbursements to organizations receiving minimal donations from Federal employees. The LFCC must determine and authorize the amount of these one-time disbursements. The PCFO may deduct the proportionate amount of each

organization's share of the campaign's administrative costs and the average of the previous 3 years pledge loss from the one-time disbursement. This is the only approved application of adjusting for pledge loss.

(4) Federated and national charitable organizations, or their designated agents, will accept responsibility for:

(i) The accuracy of distribution amount the charitable organizations of remittances from the PCFO; and

(ii) Arrangements for an independent audit conducted by a certified public accountant agreed upon by the participating charitable organizations.
